2026/27 INTERNATIONAL UNDERGRADUATE ADMISSIONS BULLETIN

# How to Apply

Applicants wishing to be considered for admission to several Ontario universities should apply to the University of Toronto through the Ontario Universities' Application Centre (OUAC).

Applicants who are interested in applying only to the University of Toronto, who reside outside of Canada, and who are neither currently studying nor have previously studied in Canada may apply using the University of Toronto International Application.

Find all applications and complete details on the admissions process at

[future.utoronto.ca/applying](http://future.utoronto.ca/applying)

## Application Deadlines

Submitting a complete application as early as possible allows your application to be considered earlier. After the application deadline has passed, programs that are not full may consider applicants on a rolling basis. Once we receive your application, we will send you an email acknowledgement with next steps.

<b>NOVEMBER</b> <b>07</b> EARLY CONSIDERATION APPLICATION DATE	<b>JANUARY</b> <b>15</b> FINAL APPLICATION DEADLINE
---	--

## Document Deadlines

Document deadlines vary by division. We encourage you to submit all required documents well in advance of the posted deadlines. For a complete list of document deadlines, see:

[uoft.me/document-deadlines](http://uoft.me/document-deadlines)

## Supplemental Applications

Some programs, colleges and campuses ask students to fill out a supplemental application or profile. You will be notified if you need to fill out a supplemental application or profile, as well as where to submit and when.

[uoft.me/supplemental-applications](http://uoft.me/supplemental-applications)

## After Applying

About a week after you submit your application, you will get an email acknowledging that we have received your application. The email will also ask you to activate a set of personal login credentials (UTORid) and then sign into the **Join U of T Applicant Portal** or the **Engineering Applicant Portal**. This will unlock the second step of the application process.

Join U of T is a one-stop applicant dashboard that lists everything we need from you and your next steps. It is the first place you should go if you want to check the status of your application, and it's the best place to go if you are not sure what to do next. When you log in, you'll be able to see if you need to provide any additional information and access our online residence application.

Engineering applicants will be redirected to a separate portal after signing into Join U of T, called the Engineering Applicant Portal, where you'll be able to complete the rest of your application. Be sure to submit any required documents by the deadlines listed in your portal.

## Studying in Canada

### Student Permit

International students planning to study in Canada generally require a valid study permit. A study permit is a document issued by the Canadian government that allows you to be in Canada and to study. It may also allow you to work on and/or off-campus as long as you meet the requirements.

Complete details about applying to study in Canada as an international student can be found at:

[ircc.canada.ca](http://ircc.canada.ca)

### Provincial Attestation Letter

International students may need a Provincial Attestation Letter (PAL) for their study permit application. This letter confirms your acceptance and eligibility to study in Ontario. The PAL is provided to students after they complete key steps, including accepting an offer of admission and paying the admission deposit.

[uoft.me/PALetter](http://uoft.me/PALetter)

### Centre for International Experience

Adapting to a new cultural environment and a new educational system may present some unexpected challenges. The Centre for International Experience is ready to help you with a wide range of services and programs.

[cie.utoronto.ca](http://cie.utoronto.ca)

### Guardianship

If you are an international student under the age of 18, you may be asked by Immigration, Refugees and Citizenship Canada to find a Canadian citizen to act as a guardian. Your family is responsible for satisfying this requirement.

### NOTE

We are aware that third parties around the world are misrepresenting themselves as agents, staff, or officers of the University of Toronto, and are extending fraudulent offers of admission and scholarships to prospective students. We urge you to protect yourself by reviewing how we will be communicating with you.

## Admission Requirements

Minimum admission requirements vary by educational jurisdiction and program of study. All applicants are required to present a Senior Year/Grade 12 English course for admission consideration. Mathematics (including Calculus) is required for programs with Mathematics prerequisites. All programs have limited spaces and selection is competitive. Some programs require a supplemental application. More information is available at:

[future.utoronto.ca/requirements](https://future.utoronto.ca/requirements)

### Secondary School Applicants

Admission requirements for British-Patterned Education, Caribbean Advanced Proficiency Examination (CAPE), French Baccalaureate, International Baccalaureate (IB), and the United States curriculum can be found in the "Admission Requirements for Common International Education Systems" section of this document.

Detailed information about all other educational systems is available at:

[uoft.me/reqs](https://uoft.me/reqs)

### University Transfer Applicants

Admission consideration is based on the overall academic record, with an emphasis on the most recent (or highest) level of study completed, and results in prerequisite subjects. Prerequisites must be completed at the Senior Year/Grade 12 level or at the undergraduate level.

Note that some programs do not consider applications from students who have previously attended a postsecondary institution. Be sure the program in which you are interested will consider your application.

[uoft.me/intl-limited-transfer](https://uoft.me/intl-limited-transfer)

Applicants who already hold a bachelor's degree from a recognized postsecondary institution can only apply to a different field of study. Individuals who already hold an undergraduate degree in Engineering are not eligible to apply for undergraduate studies at U of T Engineering.

Students who wish to take courses at the University of Toronto for credit toward a degree at another university should contact the target campus/faculty directly. Such students must present a valid Letter of Permission from their home university.

[uoft.me/transferral](https://uoft.me/transferral)  
[uoft.me/ENGtransfer](https://uoft.me/ENGtransfer)

## Pathway Programs

### English Language Pathway Programs

Academically qualified students who do not meet our English language requirements may be interested in one of our English language programs. Students will meet our English language requirement if these programs are completed successfully. They are offered on each campus and range in length from six weeks to eight months. Such programs include:

- **Academic Culture & English Program (ACE@UTM)**  
[uoft.me/utmace](https://uoft.me/utmace)
- **Academic English at U of T Scarborough**  
[uoft.me/academicenglish](https://uoft.me/academicenglish)

### International Foundation Program

The International Foundation Program (IFP) offers a unique opportunity to gain admission to the University of Toronto. The IFP provides conditional acceptance and a combination of intensive English language instruction, essential academic skills development, and for-credit courses that count towards your degree. With small class sizes and personalized attention, you'll join a community of successful international students. Learn more:

[internationalprograms.utoronto.ca](https://internationalprograms.utoronto.ca)

# Second-entry & Graduate Programs

Many programs have admission prerequisites at the postsecondary level. Learn more at:

[paconsortium.ca](https://paconsortium.ca)
- Social Work  
[socialwork.utoronto.ca](https://socialwork.utoronto.ca)

# English Language Requirements

Proof of adequate English facility is required from all applicants except for those:

- whose first language (i.e., the language learned at home as a child) is English; or
- who have achieved satisfactory results in at least four years of full-time academic study in an English language school system located in a country where the dominant language is English; or
- whose first language is French and who have achieved satisfactory results in at least four years of full-time academic study in Canada.

For full details about English language requirements, visit [uoft.me/elr](https://uoft.me/elr)

For information about English Language Pathway Programs, see the “Pathway Programs” section of this document.

## Tests and Qualifications That Provide Acceptable Evidence of English Facility

### Academic English Course, School of Continuing Studies, University of Toronto

The minimum requirement is completion of Academic English Level 60 with grade of ‘B’. [uoft.me/academic-english-program](https://uoft.me/academic-english-program)

### Duolingo English Test

The minimum requirement is an overall score of 120 with at least 120 in Production. Requirements for tests completed before July 1, 2024 and additional details are available on our website: [uoft.me/elr](https://uoft.me/elr)

### GCE A/AS Level English

The minimum requirement is English or English Language with grade of ‘C.’

### GCSE/IGCSE/GCE O Level English

The minimum requirement is English or English Language or English as a Second Language with a final grade of ‘B’ (or ‘6’ in reformed qualifications).

### International Baccalaureate English

The minimum requirement is Higher Level or Standard Level English A: Literature or English A: Language and Literature with a score of 4 (predicted or final). English B HL with a score of 7 (predicted/final) is also accepted.

### International English Language Testing System (IELTS) Academic

The minimum requirement is an overall band of 6.5 with no band lower than 6.0.

### Pearson Test of English (PTE) Academic

The minimum requirement is an overall score of 65 with no part below 60.

### TOEFL iBT

The minimum requirement is a total score of 89 with 22 in each of Speaking and Writing. Applicants completing a test on January 21, 2026 or later should consult our website for updated score requirements: [uoft.me/elr](https://uoft.me/elr)

### Other Common English Proficiency Tests/Qualifications

Other English language tests/qualifications are also considered. For a comprehensive list and complete details on our English language proficiency requirements, be sure to visit [uoft.me/elr](https://uoft.me/elr)

## Working in Canada

International students are permitted to work part-time and may be able to incorporate paid work terms into their academic programs. After you graduate, you may be allowed to live and work in Canada, full-time, for up to three years.

### Work as Part of Your Academic Program

Paid work placements are part of co-op programs at U of T Scarborough, the Professional Experience Year Co-op Program available to Engineering students, the U of T Mississauga Co-op Internship Program, and the Arts & Science Internship Program available to eligible Faculty of Arts & Science students:

[uoft.me/uoftscarboroughcoop](https://uoft.me/uoftscarboroughcoop)  
[uoft.me/peycoop](https://uoft.me/peycoop)  
[uoft.me/utmcip](https://uoft.me/utmcip)  
[uoft.me/asip](https://uoft.me/asip)

### Gaining Work Experience

Part-time work on or off campus allows you to earn extra spending money. Not only is it an excellent opportunity to gain practical Canadian work experience, but it will also allow you to expand your social experiences. You may obtain permission to work part-time off campus following six months of study. You may also stay in the Greater Toronto Area and work full-time during holidays and between academic terms. Learn more:

[uoft.me/cie](https://uoft.me/cie)

## Scholarships & Financial Aid

All applicants are considered automatically for admission scholarships based on their academic performance. To explore all U of T scholarship opportunities, including those that require a separate application, visit our Award Explorer at:

[awardexplorer.utoronto.ca](https://awardexplorer.utoronto.ca)

Canadian citizens and permanent residents who live outside of Canada may be eligible for the University of Toronto's financial aid support for students in financial need.

U.S. citizens can apply for financial assistance from the U.S. William D. Ford Federal Direct Loan Program. The University of Toronto is a recognized postsecondary institution for Federal Direct Loans (PLUS/Subsidized/Unsubsidized). Education Savings Plans, and U.S. Federal Education Tax credits are also applicable. Complete details can be found at:

[uoft.me/usloans](https://uoft.me/usloans)

### U of T Engineering Scholarships

The Faculty of Applied Science & Engineering has scholarships available for international students:

[uoft.me/engscholarship](https://uoft.me/engscholarship)

### Lester B. Pearson International Scholarships

- ✓ Tuition for 4 years
- ✓ Living costs
- Fees & books

Covering tuition fees and living expenses for four years, the Lester B. Pearson International Scholarships at the University of Toronto offer you access to an unparalleled experience in undergraduate education. Imagine a top-ranked university located in one of the world's most welcoming multicultural cities, where students come from over 160 countries and more than 900 municipalities. Imagine enriched learning within a unique community of students, alongside brilliant professors who are shaping the future of their fields. As a Pearson Scholar, you will gain a global perspective on issues that matter most to you. Learn more at:

[future.utoronto.ca/pearson-scholarships](https://future.utoronto.ca/pearson-scholarships)

## Tuition Fees 2025-2026

The cost of attending university varies depending on your program of study and place of residence during the Fall-Winter academic year. Updated fees for 2026-2027 will be available in the summer of 2026.

Tuition and Incidental Fees (subject to change)	International Students		Canadian Citizens, Permanent Residents			
	\$ CAD	\$ USD	Ontario Residents		Residents Outside of Ontario	
	\$ CAD	\$ USD	\$ CAD	\$ USD	\$ CAD	\$ USD
Applied Science & Engineering	\$73,055.84	\$53,352.68	\$16,383.84	\$11,965.12	\$19,093.84	\$13,944.23
Architecture, Landscape, and Design	\$66,350.40	\$48,455.70	\$8,088.40	\$5,906.96	\$9,238.40	\$6,746.80
Arts, Science, Commerce, and Management (U of T St. George, U of T Mississauga and U of T Scarborough)	\$66,356.22 – \$67,173.09	\$48,459.95 – \$49,056.51	\$8,094.22 – \$8,911.09	\$5,911.21 – \$6,507.77	\$9,244.22 – \$10,061.09	\$6,751.05 – \$7,347.61
Kinesiology & Physical Education	\$51,795.40	\$37,826.18	\$8,093.40	\$5,910.61	\$9,243.40	\$6,750.46
Music	\$51,438.40	\$37,565.46	\$8,656.40	\$6,321.77	\$9,806.40	\$7,161.61

Total fees include academic fees, as well as incidental and ancillary fees. Incidental and ancillary fees vary by college and campus. Ancillary fees are associated with course-related activities, or for services that students can choose to access. Incidental fees cover the costs of services and programs that contribute to the student experience and student wellbeing, and include fees for University-operated student services (such as campus Career Centres and Hart House). Find out more about incidental and ancillary fees at [viceprovoststudents.utoronto.ca/students/fees](https://viceprovoststudents.utoronto.ca/students/fees). USD currency conversion calculated on July 22, 2025. Current currency conversions are available at [bankofcanada.ca](https://bankofcanada.ca)

Tuition fees increase in the second year of some programs. A complete tuition fee schedule is available at [studentaccount.utoronto.ca/tuition-fees](https://studentaccount.utoronto.ca/tuition-fees). International fees include UHIP, a compulsory health insurance plan for international students (\$756).

Accurate at time of printing. Confirm fee schedules at [future.utoronto.ca/fees](https://future.utoronto.ca/fees)

# Housing & Residence Options

Housing is guaranteed for all new full-time students entering their first year of a postsecondary program for the first time, provided that they have indicated their interest in residence by completing the First Year StarRez application by **March 31**, and receive and accept an offer of admission by **June 1**. Students must respond to all deadlines and meet all deposit requirements in order to maintain their eligibility.

This information can change without notice. Please check individual residence websites for up-to-date information.

\* Prices are for 2025-2026. Costs include meal plan, where mandatory. Please check [residence.utoronto.ca](https://residence.utoronto.ca) in Spring 2026 for updates to residence price ranges for 2026-2027.

† Optional meal plans can be purchased through U of T Food Services: [foodservices.utoronto.ca](https://foodservices.utoronto.ca). Additional residence council fees may be required in addition to the above-listed fees at some residences.

## Admission Consideration

The admission selection process is based on your complete academic record, including results in prerequisite subjects, plus requested supplementary or profile information. Admission is competitive and subject to space availability. We seek to admit the best possible students on the basis of academic performance and potential, and will select students for admission based on competitive strength. Details about admission requirements pertaining to your educational jurisdiction are available at: [future.utoronto.ca/requirements](https://future.utoronto.ca/requirements)

### U of T Mississauga

Applicants to Theatre & Drama Studies must book an audition, which is weighted equally with your academic average. [uoft.me/utmaudition](https://uoft.me/utmaudition)

Applicants to the Computer Science admission category must complete a Supplemental Application Form. [uoft.me/utmadmissions](https://uoft.me/utmadmissions)

### U of T Scarborough

Applicants to Management, Management & International Business, Paramedicine, International Development Studies, Music Industry & Technology, and the Double Degree (BBA & HBS) must complete a Supplemental Application. Learn more: [uoft.me/utsc-saf](https://uoft.me/utsc-saf)

### U of T St. George

#### Faculty of Arts & Science

Applicants to the Computer Science and Rotman Commerce admission categories must complete a Supplemental Application. Additional high school subjects may be required as prerequisites for specific courses in first year or for entry to specific programs in second year. Learn more: [www.artsci.utoronto.ca/future](https://www.artsci.utoronto.ca/future)

#### Faculty of Applied Science & Engineering

All applicants are required to submit an Online Student Profile. The Admissions Committee considers a candidate's overall academic history with emphasis on the prerequisite course average, along with the information provided on the Online Student Profile. Applicants must present grades of 70% or higher (typically higher) in individual prerequisite courses.

#### John H. Daniels Faculty of Architecture, Landscape, and Design

All applicants are required to complete the One Idea Supplementary Application: [uoft.me/oneidea](https://uoft.me/oneidea). The deadline for the One Idea Supplementary Application is February 1, 2026. Note: both professions of Architecture and Landscape Architecture require a graduate degree at the master's level.

#### Faculty of Music

An audition/interview is required for all music programs. The Admissions Committee considers a candidate's musical abilities, background, potential, and other applicable portfolio submissions, in conjunction with their overall academic history, with emphasis on the prerequisite English course mark.

Applicants must submit a Music Questionnaire by January 15 to arrange an audition/interview. The Music Questionnaire will be available on the Join U of T portal once you have applied through the OUAC. We recommend applying to the OUAC by December 1 to ensure you have sufficient time to access and complete the Music Questionnaire. For admissions details and guidelines, please visit [uoft.me/undergradMusicadmissions](https://uoft.me/undergradMusicadmissions)

#### Faculty of Kinesiology and Physical Education

All applicants must complete an online Statement of Interest form by February 2, 2026. Students planning to take upper-year biology courses in university should take Grade 12 Chemistry. Students who wish to add a minor or major in Psychology or Physics to their BKin degree should take Grade 12 Calculus. Learn more: [kinesiology.utoronto.ca](https://kinesiology.utoronto.ca)

## Explore Your Options

### Mixing Programs

When building an Arts, Science, or Business degree on your chosen campus, you can mix and match Specialist (9-16 credits), Major (6-9 credits), and Minor (4-5 credits) programs to suit your goals. For example, you can pursue a Specialist, or two Majors, or one Major and two Minors. Overall, in your undergraduate degree, you will take at least 20 credits across your chosen subject areas.

### Work-Integrated Learning (WIL)

Many programs offer integrated co-op, internships, and/or professional work term options. Learn more:

- **U of T Mississauga Co-op Internship Program**  
[uoft.me/utmcip](https://uoft.me/utmcip)

- **U of T Scarborough Co-op**

**	U of T degree plus Sheridan College diploma earned.
++	U of T degree plus Centennial College diploma earned.
+++	U of T degree plus Centennial College certificate earned.
---	Jointly listed under multiple admission categories.
†	Admission is offered by the Institute for Management & Innovation (IMI) and is open only to students enrolled in a Science Specialist or Major.
Δ	Limited to high school applicants.
^	Health Sciences Stream available. This stream is open to high school applicants only.
ƒ	This program is available as a Combined Degree Program (CDP) that confers both the Bachelor's degree and a Master's degree.
U of T Mississauga	<a href="https://utm.utoronto.ca/future-students/programs">utm.utoronto.ca/future-students/programs</a>
U of T Scarborough	<a href="https://uoft.me/combined">uoft.me/combined</a>
§	U of T degree plus Ontario College Diploma in Paramedic from Centennial College earned. Limited to high school applicants or students who have completed the Ontario College Diploma in Paramedic from an Ontario Colleges of Applied Arts and Technology. This program is limited to domestic students.
